

INVITATION TO BID

Bids will be received by the Glocester Town Hall until **12:00PM on June 17th, 2026**. The project consists of booster pump replacement for the West Glocester Elementary School public water system. Bids shall be addressed to:

Attn: West Glocester Elementary School Business Office; Gary Gras
Glocester Town Hall
1145 Putnam Pike
Chepachet, RI 02814

Copies of the Specifications (constituting one set) may be obtained in electronic (pdf) format, from Northeast Water Solutions, Inc., 567 South County Trail, Suite 116, Exeter, RI 02822; Tel. 401-667-7463 ext. 129, awright@nwsj.net.

Prospective bidders may receive work site details by participating in a mandatory Pre-Bid Meeting, to be held at **3:30PM on June 3rd, 2026**, at:

West Glocester Elementary School
111 Reynolds Rd
Chepachet, RI 02814

No bids may be withdrawn for FORTY-FIVE (45) days after the scheduled closing time for the receipt of bids.

The Owner reserves the right to reject any and all bids, and to waive any informalities in the bidding and to accept that Proposal which, in its judgment, best serves the interest of the Owner.

**WEST GLOCESTER ELEMENTARY SCHOOL
PUBLIC WATER SYSTEM IMPROVEMENTS**

A. Project overview:

1. Scope: Furnishing of all materials, labor and equipment for the installation and startup of water service pressure booster pump system at West Glocester Elementary School. Pressure booster pump system shall consist of two pumps (duplex), CI Series Model 1506D manufactured by Taco Comfort Solutions, and all applicable piping, electrical, controls, and appurtenances as indicated in the Specifications. Specifications are in accordance with requirements for Public Water Systems as defined by the Rhode Island Department of Health. All equipment, piping, fittings, valves, specialties, electrical wire, breakers, and related items under this contract.
2. Requirements: This is a federally funded project implemented via Rhode Island Infrastructure Bank and Rhode Island Department of Health. Bidders must comply with specific bid requirements as indicated in the Specifications.

B. Bid Process:

1. Request for Proposal (RFP): The RFP will be available online for a minimum of ten (10) business days.
2. Pre-Bid Meeting: Bidders must attend a mandatory Pre-Bid Meeting onsite at West Glocester Elementary School on **June 3rd, 2026 at 3:30pm.**
3. Addenda: Addenda, including Requests for Information (RFIs) and clarifying information, will be posted during the bidding process. Pre-Bid RFIs will be accepted until **June 10th, 2026 at 3:30pm.**
4. Bids: Bids are due to be delivered in-person at the Glocester Town Hall on **June 17th, 2026 by 12:00pm.**

5. Bid Completeness: In addition to schedule and budget, bids will be reviewed for completeness for the following components, as outlined in the Specifications:

Bid Form Reference	Bid Package Item
	Updated Bid Form Used
3.01	Addenda Certified on Bid Form
7.A	Bid Bond or Certified Check
7.B	List of Proposed Subcontractors
7.C	List of Proposed Suppliers
7.D	List of Project References
7.E	Evidence of Authority to do Business in RI
7.F	Contractor License Number Provided
7.G	Bidder Qualification Statement
7.H	Debarment form >\$25,000
7.I	Debarment form Other Resp
7.J	Certificate of Good Standing from RI Sec of State
7.K	RI MBE DBE
Article 9	Bid Form Endorsed

C. Project Schedule:

1. Bidding: The bidding process will involve response to the initial RFP, attendance of the Pre-Bid Meeting, RFIs and Addenda, review of bids, and Notice of Award to selected bidder.
2. RFI: Following the Notice of Award to selected bidder, additional RFIs will be accepted until an indicated due date.
3. Project Execution: Installation and startup must occur during West Glocester Elementary School academic breaks. Ordering processes, lead times, any required prefabrication processes, and installation/startup schedules must allow for project completion during 2026 summer break.

D. Contact Information:

This project occurs at West Glocester Elementary School and is managed by Northeast Water Solutions, Inc. Contact information is provided in the Project Directory section of the Specifications.
